

Friday Tutorial Freebie

Created by Stefani at StampWithStefani.com

Original Design

Blue-print (so you can use your pretty paper)

Directions:

1. Using the So Much Happy Paper pack, select your papers. This card used the gray paper with flowers on the bottom (4.25 X 5.5), a scrap of the same paper flipped over for the orange part (2 X 3.5), a piece of the flower paper (1.75 X 3.75), and the flower from the cut-out page
2. Stamp "What a day" sentiment on a scrap of White Daisy cardstock using Peach Ink
3. Attach the pieces using 3D tape to add dimension to the flower
